About Poole Hospital Charity

Poole Hospital Charity funds equipment and care above and beyond that provided by the NHS. The charity – formerly known as The Wish List – supports wards and departments across the Hospital.

It has funded equipment ranging from tiny cots to major ward refurbishments since it was launched in 2004.

Thanks to the generosity and support of the local community, we have made a huge difference to the experience of thousands of patients.

Where does the money go?

When you give money to Poole Hospital Charity, you can either specify the ward or department you would like your donation to go towards, or put the money into the hospital's main fund. Money in this fund is used for equipment or projects that have been identified as a priority.

We are very grateful to our patrons for their kind support of Poole Hospital Charity...
